Media Frankfurt

Media Data 2026

Your Premium Brand Presence at Leading Airports throughout Germany

Media Frankfurt – “Excellence in Airport Advertising”

Since 1971, Media Frankfurt has been the **exclusive marketer of advertising space at Frankfurt Airport**, the world's largest connectivity hub. As the **leading provider in the DACH region**, the company enables advertisers to present their brand messages in the unique airport environment, reaching several million international, high-income travellers every year – in both the B2B and B2C sectors.

Through **partnerships with other leading airports throughout Germany**, Media Frankfurt also offers cross-location advertising solutions. The extensive product portfolio includes innovative digital screens, static advertising media, promotion points and customised forms of special advertising. Thanks to the shareholdings of Fraport (51%), JCDecaux (39%) and Ströer (10%), Media Frankfurt has powerful resources and is a **pioneer in the field of digital out-of-home**.

Why **Airport Advertising Works**?

Exclusive atmosphere
Premium, international and bustling – the airport provides a memorable and spectacular environment for high-impact advertising.

Innovative media
From iconic formats to cutting-edge technologies, airport advertising delivers high quality and creative solutions.

High reach & premium audiences
Target diverse, affluent, national and international audiences with strategically relevant placements.

Receptive travellers
Benefit from high dwell times and positive sentiment – travellers are relaxed, attentive and receptive to messages.

Book Your Airport Campaign at Frankfurt Airport and Throughout Germany

We at Media Frankfurt Are Your One-Stop Shop for All Your Needs

In addition to our home hub in Frankfurt, our portfolio includes a variety of advertising media at leading airports throughout Germany:

- **Hamburg (HAM)** ---------- **14.8 Mio PAX**
- **Hannover (HAJ)** ---------- **5.2 Mio PAX**
- **Berlin (BER)** ---------- **25.5 Mio PAX**
- **Dusseldorf (DUS)** ---------- **20.0 Mio PAX**
- **Cologne/Bonn (CGN)** ---------- **10.0 Mio PAX**
- **Frankfurt (FRA)** ---------- **61.6 Mio PAX**
- **Stuttgart (STR)** ---------- **9.1 Mio PAX**

With our airport cooperation network **SkyConnect**, our advertising provides access to a total of more than **145 million passengers (PAX) per year**.

Our Target Groups

Business

Owners, managing directors, board members, directors, heads of departments, senior civil servants and self-employed travellers for private and/or business purposes.

Holiday

International passengers with a strong interest in travelling and tourism.

Asia

International passengers who travel regularly to and/or from APAC destinations.

Duty Free

International passengers who shop regularly at the airport and spend money in duty free shops.

Luxury

International passengers with above-average incomes, a strong interest in luxury and regularly high spending at the airport.

Our Pricing Logic – Transparent and Performance-Orientated

We Don’t Sell Space. We Calculate Impact.

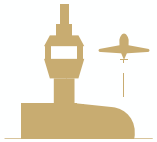

Your benefit: transparent prices, clear underlying logic and fair value. All based on genuine, measurable impact.

Our prices are not based on square metres, but on **reach, visibility and genuine contact quality**.

Our pricing logic is based on a data-driven model with clear parameters:

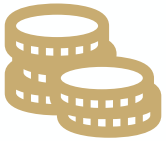

Environmental Factors
Advertising environment, contact point in the travel process and passenger behaviour.

Terminal Evaluation
Passenger frequency, location relevance in travel flow and comparison with top airports.

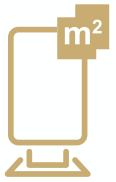

International Benchmarks
Comparison with leading international travel hubs such as London (LHR) and Paris (CDG).

Cost Per Mille (CPM)
Market-based price per thousand visual contacts.

Reach & Visibility
Validierte Viewed Impressions und erreichte Passagiere (Campaign Unique Passengers).

Product Category
Format size, media value and expected advertising impact.
