The screenshot shows a web browser window with the URL <https://media-frankfurt.teambeam.de/300/119671/public.html>. The page header includes the Media Frankfurt logo and navigation options. The main content area is titled 'Web-Upload' and contains a form for sending files. The form fields include: Receiver (with a dropdown arrow), Your name, Your eMail, Subject, and Message. Below the form, there is an 'Add Files' section with a search button and a message 'Keine Dateien ausgewählt.' To the right, there are 'Transfer Options' including '14 days valid' (with a dropdown arrow) and 'Password Protection' (with an unchecked checkbox). A 'Send' button is located at the bottom right of the form. A note below the form states: 'Add files which you would like to send by using the file button above. On modern browsers you can also drag and drop files here.' A footer note indicates '* Mandatory field' and provides contact information for TeamBeam.
